

BACKGROUND PAPER

Historical Security Council 2

HSC 2 · Room 509

TOPIC 1

The Congo Crisis: ONUC Involvement in National Conflicts, 1962

TOPIC 2

The Cuban Missile Crisis: Preventing Nuclear War, 1962

A second Historical Security Council sitting in 1962 on the same two crises. Delegates are bound by what was known at the time: no hindsight, no later treaties, and no technology that did not yet exist.

Full background paper coming soon.

The Secretariat will publish the complete guide — including the history of the question, bloc positions and questions a resolution must answer — before the conference. Delegates should begin their own research in the meantime.
