

BACKGROUND PAPER

General Assembly 2

GA 2 · Room 510

TOPIC 1

Rebuilding Post-Conflict Economies and Infrastructure in the Age of Resource Scarcity

TOPIC 2

Economic Inclusion and Financial Access for Mass Displaced Populations

The Economic and Financial Committee of the General Assembly. Debate here turns on numbers as much as principle — reconstruction costs, concessional finance, remittance corridors, access to banking — and delegates are expected to arrive knowing what their country can actually afford to promise.

Full background paper coming soon.

The Secretariat will publish the complete guide — including the history of the question, bloc positions and questions a resolution must answer — before the conference. Delegates should begin their own research in the meantime.
