

BACKGROUND PAPER

Human Rights Committee (Russian)

HRC RU · Room 502

TOPIC 1

Rebuilding Human Rights Frameworks After Global Disruption:
Displacement, Survival, and the Ethics of Humanitarian Protection

TOPIC 2

Restoring International Human Rights Standards After the Pandemic:
Displacement and the Morality of Survival in the Modern World

The Human Rights Committee debated in Russian. Delegates take the same two questions as the English-language Human Rights Committees — how rights frameworks are rebuilt after a global shock, and what states owe displaced people — but do so entirely in Russian, from opening speeches to the final resolution.

Full background paper coming soon.

The Secretariat will publish the complete guide — including the history of the question, bloc positions and questions a resolution must answer — before the conference. Delegates should begin their own research in the meantime.
